*"So please get your rags; And your polishing jars; Somebody has to go polish the stars."
- Shel Silverstein, A Light in the Attic*

Owl's Nest students learn all about bicycle safety at the Bicycle Rodeo.

The Owl's Nest – After School Enrichment Program

The Owl's Nest students were thrilled to share all they learned with family and friends on March 22 at the student showcase celebration. Bicycle Rodeo, organized by the bike safety students, was held on March 23 and it was a huge success. We were very pleased to see all the Owl Nest's Students participating in this informative and important learning opportunity!

The Third session began on Tuesday, March 29 and we are excited to offer some new exciting programs including Rowing on the River with the Greater Lawrence Boating Program, Merrimack River Exploration, Fractured Fairytales, and Fitness with Ms. Kim. This session

promises to be an active one that takes advantage of the spring weather.

About Our Programs

Community Day Learning (Community Day Care), is a program of The Community Group. CDA Beyond After School Enrichment Program represent a partnership between Community Day Learning and Lawrence Public Schools. Through our early learning centers and network of home care providers, Community Day Learning offers continuity of care from infancy through 12 years. Students enrolled in our infant/toddler program may progress to a preschool/kindergarten program to a school age program. This continuity of care in our high quality programs can be an important factor in the positive development of our students.

Los estudiantes del Programa Owl's Nest aprenden todo acerca de la seguridad de la bicicleta en el Rodeo de Bicicletas.

The Owl's Nest – Programa de Enriquecimiento Después de la Escuela

Los estudiantes del Programa Owl's Nest compartieron con sus amigos y familiares demostraciones de lo que han aprendido en el programa durante nuestra exitosa celebración familiar del 22 de marzo. Además, el 23 de marzo, llevamos a cabo un divertido Rodeo de Bicicletas, organizado por un grupo de estudiantes con el propósito de educar acerca de las medidas de seguridad en bicicletas. Fue una actividad muy educativa en la cual nos alegró ver la participación de todos nuestros estudiantes.

Exploración del Río Merrimack, Cuentos de Hadas, y Salud y Ejercicio con la Sra. Kim. Esta sesión promete ser muy activa y aprovechar el clima primaveral.

Nuestra tercera sesión se inició el martes, 29 de marzo y nos alegra poder ofrecer varios programas nuevos e interesantes, como Remar en el Río (mediante el Programa de Navegación en Bote de Lawrence),
