Dear Colleague:

The Child Care Circuit administers the Voucher Child Care Program for the Greater Lawrence, Haverhill, Cape Ann, North Shore, Tri-City and Eastern Middlesex areas. The enclosed brochure explains what voucher childcare is and how it works.

If you would like to participate in the Voucher Childcare Program, please complete the enclosed Provider Agreement Packet. Please fill out and sign all paperwork and forms, and include a copy of your current DEEC license as well as a copy of your private rates and a Parent Handbook if applicable. **Please return all paperwork via mail with original INK signatures to Cheyminette Garcia at the address shown above or you can email to her directly at cgarcia@childcarecircuit.org and request to receive the application via DocuSign.** To be considered an eligible provider, you must be:

- 1.) Currently be licensed by the Department of Early Education and Care, or hold a Certificate of CCDF Subsidy Funding Eligibility for License-Exempt Care Provider
- 2.) Participate in the State's Quality Rating Improvement System (QRIS) at a Level 1 or higher.
- 3.) You cannot be the subject of a DCF-51A substantiation or of a licensing litigation with DEEC. Child Care Circuit does not evaluate a program or a provider and does not assume any licensing responsibilities.

Upon receipt of all the required paperwork your information will be reviewed to ensure that all forms etc. have been completed and signed by you and a voucher rate will be established (rates as based on your private rates and the capped reimbursement rate set by DEEC). Once your agreement is complete and approved by Child Care Circuit your information will be added to our Voucher Referral database and a copy of the Voucher Agreement packet will be sent to you for your files. The length of time required to process a voucher agreement will depend on the submission of all required information and all appropriate paperwork being completed.

If you have any questions or concerns regarding the Voucher Agreement packet, please feel free to contact me at the number shown above, I can be reached at extension 547.

Sincerely,

Cyndi Doucette

What is Voucher Child Care?

◆ What is the Voucher Child Care program?

Voucher Child Care is a process by which the Child Care Circuit contracts with the state to make child care accessible to authorized participants of the Dept. of Transitional Assistance, Dept. of Children and Families, and income eligible parents from the state-wide waiting list.

◆ Can I become a Voucher Provider?

You are eligible to participate in the Voucher Child Care Program if all of the following are met:

1. You are currently licensed or identified as a license exempt program by the Dept. of Early Education & Care. (Licensed Exempt must obtain a Funded Program Certificate through EEC)
2. You participate in the State's Quality Rating Improvement System (QRIS) at a Level 1 or higher or have a Continuous Quality Improvement Plan (CQIP) on file.
3. You (or a current employee) are not the subject of an ongoing investigation, a substantiated report of abuse/neglect, or an EEC licensing litigation.
4. You understand and agree to all of the conditions in the Voucher Child Care Agreement. This is the contractual arrangement between a provider and Child Care Circuit to follow EEC provider policies for subsidized care.

◆ Why should I become a Voucher Provider?

- Voucher enrollment is flexible, as provider can determine the number of children accepted with subsidies.
- Help families afford child care that may not be able to otherwise afford quality care for their child(ren) within your programs community
- Stable source of revenue- guaranteed payment for services
- Marketing support and free publicity through increased referral base.
- Increased enrollment (voucher vs. empty slot)
- Reimbursement rates may vary by your location.
- Reimbursement rates may be more comparable to private rates.
- We provide technical assistance regarding billing, attendance, and policies.
- We provide quarterly meetings and review new policies, changes and general updates.

◆ How will parents choose a voucher program and contact me?

Once the parent has been determined eligible, if needed, an Information & Referral Specialist will provide them with providers in their requested area that accepts child care assistance vouchers. As a Voucher Provider, your program may be among these referrals a parent may choose from.

For more information on the voucher provider process, please contact:

MEMORANDUM

To: Department of Early Education and Care (EEC) Contracted Programs/Family Child Care Systems, Child Care Resource and Referral Agencies (CCRR), and Head Start Programs

From: Sandra Fortier-Hollow

Re: FY2026 Approved Closure Schedule for Family Child Care Providers/Family Child Care System.

Date: June 23, 2025

Annual Submission of Closure Schedule

FY26 Unit Rate Contract will run July 1, 2025 through June 30, 2026. Contract Providers must complete the Approved Closure Schedule form to reflect the Contract Provider's full fiscal year schedule.

Early Education and Care Programs/Systems must annually submit an Approved Closure Schedule to the CCRR/EEC prior to the start of each state fiscal year and/or contract. Any changes to the dates you state on the attached chart must be submitted for approval to the CCRR/EEC, at least **30** days in advance. Once approved, all closure days must be entered into CCFA. FCC Systems are responsible for entering all days for their member providers; CCRRs are responsible for entering closure days for all Independent Family Child Care Providers.

Parental Notice

Programs/Systems must annually provide a final Approved Closure Schedule to parents of all children receiving child care financial assistance (i.e., both voucher and contract) participating in the program by July 1, 2025. For any child that enrolls after July 1, 2025, the Approved Closure Schedule must be provided prior to enrollment so that parents may make an informed choice about their child care options. In addition, Programs/Systems shall provide parents with at least 30 days' notice prior to making any changes to its Approved Closure Schedule. This notice applies to all children receiving child care financial assistance.

Union Negotiations

The current Collective Bargaining Agreement ("CBA") between EEC and SEIU Local 509 (the union representing family child care providers accepting child care financial assistance) has been ratified. The current agreement contains twelve (12) holidays and ten (10) flexible closure days and (5) professional development days. The number and type of closure days supersedes any previously negotiated number or type of days. Family Child Care Providers/Family Child Care Systems may continue to swap up to two holidays for any other day. For example, Programs/Systems may swap Veteran's Day for Christmas Eve.

DEPARTMENT OF EARLY EDUCATION AND CARE
FCC System FY 2026 Closure Schedule
July 1, 2025 to June 30, 2026

Closure Day Limitations and Requirements

Programs/Systems will be paid only for the number of closures submitted to the CCRR/EEC as long as the closure days selected comply with the limitations and requirements set forth below:

1. Approved Closure Day Requirements:

- Up to twenty-two (22) closure dates may be selected and (5) professional development days.
- The program must select closure days that are responsive to the needs of the families served.
- The program must close for both private paying families and families receiving child care financial assistance.
- The program must charge private paying families for closure days.
- **Since EEC covers the cost of parent fees for child care financial assistance families on closure days, the provider must not charge these families a parent fee on closure days.**

2. Professional Development Closure Day Requirements:

- FCC Systems and FCC Providers receiving child care financial assistance payments from EEC designating closure days for professional development opportunities must ensure that educators and staff, including System staff if applicable, engage in professional development activities on those days. Failure to engage in professional development activities may result in denial of reimbursement requests.
- There is no requirement that professional development opportunities must be sponsored or provided by the System on such closure days. Professional development days sponsored by the System shall not require attendance on any 12 holidays, including any swapped holidays.

The policy detailed below is implemented/followed by:

Agency Name (as it appears on your EEC License)

POLICY

There shall be no corporal punishment of children. No child shall be subjected to cruel or severe punishment, humiliation or verbal abuse, including, but not limited to the denial of food.

DEFINITION

Child Abuse is the non-accidental commission of any act by a caretaker which causes or creates a substantial risk of harm to a child's physical and emotional well being, including sexual abuse.

Child Neglect is the failure by a caretaker, either deliberately or through negligence, to take those actions necessary to provide a child with minimally adequate food, safety, clothing, shelter, medical care, supervision, or other essential care.

PROCEDURE

Whoever has a reasonable cause to believe that a staff member or family day care provider may have been abusive or neglectful toward a child(ren) shall immediately notify their supervisor and/or program.

"Reasonable Cause" means that after examining all the facts in a particular situation, most people with similar training and experience would also suspect abuse/neglect.

The suspected or alleged employee or family day care provider shall be immediately removed from working directly with children until a written investigation has been completed.

The Program Director or supervisor must immediately notify the Executive Director or designee. The Executive Director or designee will assess the situation and if warranted, report the suspected or alleged incident to the Department of Social Services and the Child Care Circuit within 24 hours.

The program director will prepare within twenty-four hours, but no later than thirty-six hours, a written report of the situation. That report shall include dates, times, names of all parties (adults and children), places and a description of the incident(s).

The Personnel Practices Manual (if applicable) will be adhered to in handling any employee suspected or substantiated of inflicting abuse or neglect.

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under “*By signing the filled-out form*” above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or “doing business as” (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner’s name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

I. The Provider/System further agrees to the following terms and conditions:

1. Provision of Education and Care Services

The Provider/System agrees to:

- Provide/administer early education and care services for children whose families qualify for publicly funded early education and care services and who have been issued a child care voucher to the Provider/System’s program. The Provider/System understands that the child’s parent or guardian will be responsible for deciding to place the child in its care.
- Provide early education and care services in an EEC licensed space or in an EEC license-exempt space in accordance with EEC licensing regulations, EEC Funded Program Compliance Requirements, and any updates thereto.

The Provider/System understands that any allegations of non-compliance with licensing regulations, the funded programs compliance requirements, or another guidance will be reported by the CCRR to EEC.⁵
- License-exempt providers agree to complete a New Funding Application through EEC’s LEAD database. License-exempt providers agree that neither EEC nor the CCRR may provide payment until an application has been received and a Certificate of Eligibility for Funding has been issued by

¹ Any licensed independent family child care provider who enters into an Early Education and Care Voucher Services Agreement with a CCRR may only accept voucher referrals through the CCRR and may not accept referrals through a Family Child Care System (“System”). Family child care providers affiliated with a System cannot enter into a Voucher Agreement with a CCRR or accept voucher referrals directly from a CCRR. Family child care providers can only affiliate with one System at a time.

² The term “Provider” shall refer to all center-based programs, independent family child care providers, System affiliated providers, license exempt summer camps, and schools providing voucher early education and care services. In signing this Agreement, a System is agreeing that its affiliated providers are bound to the terms and conditions contained in this document.

Agencies that have parent companies must have the parent company enter into the Voucher Agreement. The parent company must specify on a separate attachment to the Agreement the names of each agency under it and location of each site that will be providing voucher services. Any terms or conditions agreed upon by the parent company must also be adhered to by any agencies/sites providing voucher early education and care services under the parent company’s control. The parent company must immediately notify the CCRR whenever an agency under it will discontinue its voucher services and/or a new agency under it would like to provide voucher services. The parent company must also immediately notify the CCRR of any changes to sites where voucher services are or will be provided. The CCRR must approve in advance and in writing any such changes.

³ Where voucher services will be provided at more than one site, the CCRR must confirm the licensing status (licensed or license-exempt) for each site. Agencies with multiple sites must also provide annually published rate information and hours of operation that are specific to each site. Rate sheets attached to this Agreement must specify the rates for each site.

⁴ Systems must hold an Income Eligible Contract or Priority Populations Contract (Supportive, Teen, and/or Homeless) with the Department of Early Education and Care (EEC) in each Region where they administer voucher child care services.

⁵ See EEC Licensing Policy regarding Complaints (<https://www.mass.gov/lists/licensing-policies-for-group-and-school-age-child-care-programs>)

- Agrees that EEC will not provide payment for a child on any day that the child attends without an active voucher, which shall include, but not be limited to, instances where the child attends prior to a child care voucher being issued or children who continue to attend following the expiration or termination of the child care authorization or placement.
- Agrees that, in accordance with EEC policy, a child is not considered enrolled in subsidized care until the first day the child actually attends the program, unless otherwise allowed accordance with

EEC's Financial Assistance Policy Guide. If the child is on a voucher, he/she may not be enrolled in a program before the beginning date indicated on the voucher. The child may remain eligible for enrollment until the end date of the authorization or until the subsidy is terminated, whichever comes first.

- Collect parent fees in a timely manner and in accordance with EEC policy and regulations.
- Providers will have the flexibility in the charging of private pay families and allows the offering of discounts (including employee discounts), tuition waivers, etc., without requiring restricted revenue to cover the differential cost of care. 4. Quality and Improvement Rating System (QRIS)

The Provider/System agrees to:

- Participate in the Massachusetts Quality and Improvement Rating System (QRIS) in accordance with EEC's policies, procedures, timelines, and, if applicable, the terms and conditions of any direct contract with EEC. For all early education and care providers that began serving voucher children on or after July 1, 2012, participation in QRIS, for the purposes of this Voucher Services Agreement, means that the Provider completed the EEC QRIS Application and submitted it to EEC. EEC will be updating and/or amending the requirements for participation in QRIS over time.

If transportation services are paid for by the CCRR, then the Provider/System agrees to enter into a Transportation Addendum with the CCRR and adhere to its terms and conditions. If there is a transportation incident, including but not limited to an accident or an issue requiring the filing of a 51A Report, while children are being transported, then the Provider/System agrees to notify EEC and the CCRR.

6. Notification

The Provider/System agrees to:

- Notify the CCRR in writing regarding any changes to the Provider/System's location, management, ownership, or significant financial situations (i.e., IRS tax lien, bankruptcy filings) at least thirty (30) days before the change or financial situation occurs to avoid disruption in care and avoid subsidy payments from being delayed and/or withheld;

⁶ The Operational Services Division's (OSD) Price Limitation law states that the Commonwealth cannot pay a rate that is higher than the lowest fee charged to any private paying clients for the same type of care, unless an exception can be sufficiently documented in accordance with the provisions of 808 CMR 1.03(4)(a) or (b), if applicable. Private rates shall include any rates based on discounts. Agencies may require all vendors to submit documentation (as specified by the agency) to substantiate the rates they charge to their privately paying clients for the same type of services and, if applicable, documentation to substantiate any discounting of private rates with restricted revenues.

- Notify the CCRR and enrolled families, in writing, at least thirty (30) days in advance of any permanent or temporary non-emergency closure. 11. Earnings/Surplus Revenue Retention Cap (applies to Providers/Systems that have an Income Eligible Contract; and/or Providers/Systems that have a Priority Populations Contract; and/or Providers/Systems that receive \$750,000 or more in voucher funds annually).

2. Referrals

The CCRR agrees to:

- Refer eligible parents/guardians to appropriate subsidized child care programs that have contracts with EEC or with other state and local resources, and/or voucher agreements with the CCRR, provided that the programs are in good standing with EEC's regulations, policies and/or other requirements.

3. Reimbursement

The CCRR agrees to:

- Review and approve each fully completed and timely submitted request for reimbursement, utilizing EEC's web-based Child Care Financial Assistance (CCFA) application.
- Reimburse the Program for authorized and enrolled days of eligible voucher recipients as requested or inform the Program of the reason for disallowance of payment.
- Reimburse the Program within five (5) working days of receipt of reimbursement from EEC, unless EEC directs that reimbursement must be held because the Program has billing discrepancies due to the Program's failure to comply with EEC's regulations, policies, procedures, or contractual provisions. If a Program's reimbursement is withheld by EEC, then EEC will direct that payment be made when the Program provides sufficient information as determined by EEC to reconcile the billing discrepancies.

III. Both Parties agree to the following:

1. Rates / Payments

Both parties agree that:

Dated: July XX, 2022

- Subject to appropriation and the availability of funds, the rate(s) specified in the attached rate sheet shall be in effect for the duration of this Agreement, unless otherwise amended.⁸ EEC shall have the right to increase or decrease a Provider/System's rate based on the amount of available funding or budget appropriation or in accordance with the law. EEC shall provide prior notification to the Provider/System of any changes to the rates.
- All voucher payments are subject to available funding.

2. Improper Payments

Both parties agree that:

- The CCRR and/or EEC shall have the right to recoup and/or demand repayment of any improper payments made by the Provider/System, including, but not limited to:

 - Payments made on behalf of ineligible families; or
 - Where a Provider/System double bills EEC and/or the CCRR for services.

3. Limiting Vouchers

Both parties agree that:

- The CCRR and/or EEC may limit the number of vouchers a Provider/System may accept.

4. Access to Site/Records

Both parties agree that:

- A Provider's/System (Non-Profit, For Profit) which has a Voucher Agreement with one or more CCRRs must keep adequate records to document the services provided, program income, and expenditures as it contributes to the delivery of services to both federal and/or state subsidized programs. Records which fully document the extent of services provided must be maintained for a minimum of seven years from the termination date of the contract/grant. Failure to maintain adequate records shall result in further review by the respective CCRR and possible recoupment.
- The CCRR, EEC, and/or any other authorized state agency, including but not limited to the State Auditor's Office, shall have in-person access to the Provider's/System's site/office, including the location of early education and care related records, at any time, upon reasonable notice for purposes of auditing the Program or otherwise inspecting the facility for compliance with EEC's regulations, policies, and contractual requirements.

Cause may include, but is not limited to, when a Provider/System changes its days/hours of operation and consequently the needs of its enrolled families are no longer met or where a Provider/System bills the CCRR and/or EEC for services not provided.

- This Agreement may end sooner than two weeks in the event the System's Contract (Income Eligible or Priority Population) with EEC ends, so that the end date of the Contract and the Voucher Agreement coincide.

- This Agreement becomes effective when signed by both the CCRR and the Provider/System and supersedes any prior Voucher Agreement in effect between the CCRR and the Provider/System.
